

Maritime Law Seminar

INVITATION

Wednesday, 1st October 2014

Dear members and friends,

Young Shipping Australia is pleased to invite you to its sixth annual Maritime Law Seminar on Wednesday 1st October, kindly hosted and sponsored by HWL Ebsworth Lawyers.

Join us for lunch and hear members of the HWL Ebsworth Transport & Trade team provide valuable updates on the changing landscape of maritime law and answer your questions in an open Q&A forum.

Reefer Cargoes – Legal Issues and Claims Handling
Presented by Chris Sacré

Chris has over twelve years experience as a shipping and trade lawyer. His work stretches from large commodity disputes through ship construction and pollution claims to cargo damage claims and lien advice. Chris has litigated in the Australian Federal and Supreme Courts, the London High Court and the Norwegian, Dutch, South African and US Courts as well as ACICA, ICC, LMAA, GAFTA, AAT, Lloyds Salvage and ad hoc arbitrations.

Waste Cargo Shipments - Basel Convention, Indemnities & Permits
Presented by Jonathan Thaine

Jonathan is a member of the Transport team at HWL Ebsworth, acting for shipowners, charterers, P&I Clubs and marine insurers. His experience covers a variety of contentious and non-contentious matters including cargo disputes, vessel arrest, third party and passenger claims.

Marine Pollution – An Update of Recent Decisions
Presented by Cameron Shepherd

Cameron advises on international and domestic shipping disputes both wet and dry. His experience includes charter party disputes, cargo claims, vessel arrest, liability for pollution and wreck removal as well as personal injury and compensation claims against owners and operators.
