

Marine Manager - Geelong

Victorian Regional Channels Authority (VRCA) is mandated under the Marine Safety Act 2010 to manage marine operations and vessel movements in the port waters of Geelong, Victoria. The Port of Geelong is Victoria's largest dry bulk and bulk liquids port handling some 15 million tonnes of cargo annually and in excess of 600 vessel visits.

Responsibilities

As the Marine Manager reporting to the CEO, you will primarily be responsible for the planning and execution of safe navigation of vessels in and out of the Port of Geelong. Leading a small team, you will oversee the provision of navigation aids and directions to shipping, and be responsible for safe navigation, risk identification, assessment and mitigation. Your commercial and technical understanding will ensure compliance with all relevant legislation and regulatory requirements.

You must possess the necessary qualifications, skills and experience to meet the requirements of the Director, Maritime Safety to be licensed as the Harbour Master for the Port of Geelong.

Knowledge, skills and experience

- Formal maritime qualifications and relevant tertiary qualifications
- High level of experience in all areas of ship handling
- Excellent knowledge of all facets of port and maritime operations with the ability to interpret and apply legislation, regulations and directions for all port users
- Experience in the identification, assessment and management of operational and strategic risk
- Familiar with the operation of DUKC®
- Highly skilled in emergency and environmental incident response with the ability to assess complex and potentially life-threatening situations quickly and issue directions
- Excellent verbal and written communication skills that will see you effectively deal with both technical and non-technical situations
- Broad depth of experience in complex strategic issues
- Excellent stakeholder management skills with a track record of developing and maintaining productive relationships within the regulatory, maritime and port management sectors
- Good interpersonal and relationship skills in order to represent VRCA with external parties

The successful candidate will need to be an energetic, driven and focused individual.

Remuneration will be commensurate with relevant experience.
